AGENDA ITEMS:

Item	Items of Discussion	Ball In Court	Status
09/03/09 – 01	Parking Lots <i>Resolution:</i> The stadium and PDEC parking lots are being punched this week.		
09/03/09– 02	Admin Work Room <i>Resolution:</i> Huckabee to provide counter heights and a list of equipment that is being installed in the work room for MDT review.		
09/03/09 – 03	05 Bond Surplus <i>Resolution:</i> <ul style="list-style-type: none"> ○ GHS Softball Field: The field does not have enough slope to drain quickly. Consider excavation of clay and adding crown to improve drainage. GCISD needs price to consider for 05 bond surplus projects. ○ Lighting at OCT and BCES: Foyers are dark and dismal in appearance. Consider replacing the lenses or entire fixtures to provide more light in foyer ○ GHS Field House: Carpet was requested in 05 Bond to be installed in the locker rooms. On the Freshman/JV side the distance from shower to locker is not long enough to allow for drying. The carpet is staying wet. Huckabee to bring solutions for consideration. Possibly rubber floor surface. ○ Transportation: Requested timer on security gates for day time use and curb cut or lay-down curb to access practice fields. District to review. 		
09/03/09 – 04	Finance/Warehouse Doors <i>Resolution:</i> Adding glass to doors was requested at last meeting. The price is approximately \$550/door to go to a "9 Lite" door. No resolution has been given.
